

**Analysis of feedback received from Alumni**

The Alumni have also cherished their memories of their student days in this college. At present many of them are serving in different institutions viz. schools, colleges, Government Office etc. So far the information we have received, one of our Ex-Student, Smt. Suparna Ghosh received Editor Choice Award for outstanding achievement in Poetry from 'International Library of Poetry, USA'. She had also received a Photography award from USA.

The suggestions offered by the Alumni indicate their concern for their Alma Mater. The suggestions offered are as follows:

- i) Introduction of Honours courses for all subjects.
- ii) Recruitment of adequate teachers for the purpose.
- iii) Introduction of Meditation/Yoga class for the students.
