Electoral Literacy Club

A. About us:

The Electoral Literacy Club (ELC) at Durgapur Women's College was established following ECI guidelines, aiming to foster electoral literacy across various age groups in India, with a special focus on students at the college. Through engaging activities and practical experiences, the club aims to impart knowledge in a non-political, neutral, and unbiased manner.

Additionally, the institutional ELC was formed with the explicit goal of reaching out to new voters, particularly those aged 18-21 who are pursuing their graduation. Membership in the club is open to all regular students of the college.

B. Objectives:

The objectives of the ELC, aligned with ECI guidelines and tailored to the needs of the institution and local community, are as follows:

1. Identify eligible students aged 18 and above who haven't yet registered for voting and provide them with guidance and support to complete the registration process.
2. Educate both college and local community members about voter registration procedures, the electoral process, and related topics through practical engagement.
3. Conduct sessions to familiarize individuals with Electronic Voting Machines (EVMs) and Voter Verifiable Paper Audit Trails (VVPATs), emphasizing the reliability of EVMs and the integrity of the electoral system.
4. Empower the target demographic to recognize the significance of their vote and enable them to exercise their franchise confidently, comfortably, and ethically.
5. Mobilize ELC members to spread electoral literacy within their respective communities.
