## **Brief Report (300-400 Words Appx):**

With the digital era increasing cyber crimes are also very prevalent all over the world, so it is very important to know & make people aware of the importance of cyber security especially to the younger generation. Cyber security protects all categories of data from theft & damage like sensitive data, personally identifiable information, intellectual property & Governmental information. Hence, keeping in mind the vulnerability of computer systems that BOB THOMAS showed us, the Political Science Dept. of Durgapur Women's College organized an awareness program on Cyber Security on 29<sup>th</sup> February 2024. Where eminent resource persons & speakers joined from Durgapur Women's Police station.
