Event Report: Workshop on Free Residential Skill Development Training Programmes

Event Overview:

On the 21st of August, a significant workshop was held at Durgapur Women's College, focusing on free residential skill development training programmes. This event was a collaborative effort between the Career Counselling and Placement Cell, the Internal Quality Assurance Cell (IQAC) of Durgapur Women's College, and the Central Institute of Petrochemicals Engineering & Technology (CIPET). The workshop was generously sponsored by NTPC-SAIL Power Company Limited (NSPCL).

Objective:

The primary goal of the workshop was to provide students with opportunities to enhance their skills and employability through free residential skill development training. The collaboration with CIPET aimed to offer expert guidance and training to students, particularly in fields related to petrochemical engineering and technology.

Event Details:

Dr. Mahananda Kanjilal

Principal
Durgapur Women's College

Date: 21st August,2024

Time:2:30 PM

Venue:College Auditorium, Durgapur Women's College

Patron & Chairperson: Dr. Mahananda Kanjilal, Principal of Durgapur Women's College

- The workshop was open to all students, offering them a chance to explore various skill development programmes.
- Experts from CIPET were invited to conduct the training sessions, ensuring that students received high-quality and industry-relevant education.
- The event aimed to unlock the potential of students by providing them with the necessary skills to improve their employability in the competitive job market.

The workshop was a valuable initiative by Durgapur Women's College and its collaborators. It provided an excellent platform for students to gain essential skills and knowledge in the field of petrochemicals engineering and technology. The event also highlighted the importance of industry-academia collaboration in enhancing student employability and preparing them for future career opportunities.
