RESOLUTIONS OF IQAC MEETING HELD ON 13.07.2023 at 2.00 pm

A meeting of the IQAC of Durgapur Women's College was held with Geography, Botany and Zoology department on 13.07.23 at 2.00 pm.

Agenda: Wet Land Project to be undertaken in the college.

The following Resolutions have been taken:

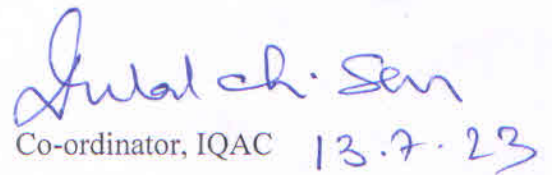

- Dr. Dulal Chandra Sen, IQAC Coordinator informed that the college is in the process of undertaking a project on wet land in the college campus. The Botany, Zoology and Geography departments in consultation with IQAC have prepared a project proposal on converting the marshy land of the college into a wet land.
- Dr. Mahananda Kanjilal, the Principal informed that the Surface Water Investigating Department and Central Ground Water Board might provide funds for turning the marshy land at the back of the college ground into a wetland.
- Dr. Biswajit Bera, Professor of Geography of Sidho Kanho Birsha University, Purulia might be invited to deliver a lecture and explain the modalities of such projects to the college.
- A complete project report might be prepared by the departments of Botany, Zoology and Geography for seeking funds from various sources.
- The Principal also suggested that the trees in the college premises might be identified and the special properties of each might be listed.
- The Forest Department of Paschim Bardhaman might be approached for saplings/plants which might be planted around the wetland. Medicinal plants and a butterfly garden might also be established around the wetland.

The meeting ended with thanks to all members present.
