Topic of the speech : ROAD SAFETY AWARENESS PROGRAMME.

No. of participants : 39.

Brief Report (300-400 Words Appx): Being aware of our surroundings while driving on road is very important. Aware of traffic signals, road signs, etc. Reduces the risk of death and injury on roads. In today's world road safety and transport has become an integral part of every human being. The present transport system system has minimized the distance but it has on the other hand increased the life risk. Hence, road safety education is as basic knowledge as other skills of survival that one must know. The awareness programme continued with oath taking ceremony & NSS song by volunteers.
