Yes

No suggestion

Somethings need to be improved, otherwise it's all good.

Need to improve there communication skills

Good 👍

The Washroom needs to be clean

All things are good bt the condition of washrooms ar horrible

Need Improvement

Good teaching, and provides us with smart learning though i suggest that the college professors should have a little bit of understanding, about our problems and to our queries and complaints.

Excellent

Everything is going well .

College environment should be improved with proper washroom facilities

Excellent 🙌

College is helpful

Everything is very good.

All good

Library resources and washroom hygiene need improvement

Very good

Canteen food needs to be improved and hygiene should be maintained

Good but not best 👍

No suggestions

Nothing everything is good

No

We need more books in library

Good 👍

"The syllabus is very good, but its length is a bit excessive."

Can add a games room plus a gym

Make the curriculum to need more practical and job-oriented

Professors are quite dedicated to the academics of every individual and would gladly address any problem

Me internal exam di thi, uska number hi add nahi kiye, puchne pe bataya gya ki wo bhul gye...  
Yese kon karta h, isse to sabhi andaja lagga sakte h ki yaha kuch teachers kitna serious h  
students ko lekar

Nothing

- Lights and fans of the classroom need to be looked after
- canteen facilities need more improvement
- need of more strong faculty members for the department of physics to mentor the students, the HOD shouldn't be pressurized to look into all the matters.

Improve them

Washroom should be cleaned properly and timely. And the teacher who is in the office should improve her behaviour cause she shouts a lot without any reason.

Need to improve

no

All is good

Everything is good

The curriculum are excellent for me..

Average

The faculties are really good...but unavailability of labs and instruments in our department makes it really hard for us to cope up with our studies. Also the washrooms are not cleaned properly,doors are not maintained.The classroom assigned to our department is really short in comparison to the students. Overall improvement is required.

Very well

More practical equipment and teachers also library books and class room specially needed to learn more. When we passed out because of the unavailability of the less practical equipment we didn't able chance to expose more. And more teachers needed in the department.. and my suggestion is to promote the psychology department in our college we needed to give a them a practical exposure.. like working with some counselor or psychologist.

Good ..

- 1) Campus should be more clean
- 2) Classes should end within 3:30 pm ,as there is a problem of transportation .

Very nice

Need improvement

Washroom cleaning
